INTRODUCTION

Business Logistics & Services, Lda was established in Beira – Mozambique on 1st of August, 2013 and rapidly expanded branch offices in all cities where there is port in Mozambique. We are a new upcoming company in the market with experienced staff in the industry. We are committed to keep a growth pace with the industry especially in Beira where freight forwarding is taking new higher challenges. Now we have expanded our company branches in cities with port namely **Maputo, Nacala, Quelimane, Pemba** and **Vilanculos**.

OUR VISION

- Is to be the strongest, most trusted freight forwarder company, both nationally and internationally and to offers global total shipping , freight, logistics and Clearing services competitively and economically without prejudice to any stakeholder in any country that we do business either directly or indirect.
- To do business with passion, integrity and energy.
- To provide quality services that exceeds the expectations of our esteemed customers.

OUR CORE VALUES

- Customer focused,
- Quality and professionalism,
- Flexibility,
- Transparency and reliability
- Efficiency,
- Security and safety,
- Accountability to stakeholders.

OUR MISSION

- To keep on expanding our offices in all strategic ports and borders post of Mozambique and having offices representation (Agency) internationally.
- To keep on employing the best workers that are acceptable at local and international levels and to meet the compliance and services standard requirements.
- To equip our offices with acceptable service delivery machines that meets the local and international expectations.
- Keep on improving our corporate image, staff development and compliance to stakeholders.
- To have quality management in place so as ensure maintenance of intentional standards.
- To build long term relationships with our customers and clients and provide exceptional customer services.
