Business Logistics & Services

- Freight forwarding
- Customs Clearance
- Project logistics
- Warehousing

WHO WE ARE

A Mozambican logistics partner with international reach.

Business Logistics & Services (BLS) is a Mozambique-based logistics company connecting businesses to international markets through freight forwarding, customs brokerage, warehousing and specialised project logistics.

With local operational expertise and an international network, BLS coordinates logistics requirements for businesses operating across Mozambique and beyond.

Global Network

Connecting Mozambican businesses to international markets.

Local Expertise

Understanding Mozambique's logistics landscape and regional trade routes.

Integrated Logistics

Coordinating freight, customs and project logistics requirements.

MISSION AND VISION

What drives BLS

Mission

To be a cultural and logistical bridge that creates business ties between entrepreneurs, with integrated solutions and sustainable cost-benefit ratios.

Vision

To be the most innovative and trusted logistics company in Mozambique, with that innovation recognised internationally.

Goal

Long-term relationships with customers and suppliers, wider reach across all strategic local ports and our own quality management system.

OVERVIEW

BLS at a glance

ISO

NM ISO 9001:2015 quality management system

40+
